CGPA: 85.24

## Experience

**WEB DEVELOPMENT COURSES PROJECTS**                Peterborough, ON

01/2024 – 05/2025

09/2024 – 12/2024

- 2 courses of web development I took during the last 2 semesters at Trent combine both theoretical knowledge of technologies used on the client side and then more advanced on the server-side of a web application.
- Worked individually on courses' assignments focusing on working with a server-side language and a DBMS, building a server-side router and a complete API backend, and using the JavaScript framework to generate client-side rendered pages using the API previously built under instructor and teaching assistant's guidance.
- Final project is to develop a simple movie site as part of the course at Trent and is hosted on a university-managed server and accessible with valid credentials. (loki.trentu.ca)

**UMI SUSHI**                                                        Peterborough, ON

Cashier                                                                08/2023 – now

- Assisting with the operations of the restaurant, including opening, and closing, preparing sushi for outside counters, taking orders, serving food, and cleaning.
- Answered customers' inquiries or questions about the dishes.
- Collaborate with other staffs to effectively prepare the food and serve to customers.
- Ability to handle everyday physical demands.

**KIDS AGAINST DISASTER APP PROJECT**                Hanoi, Vietnam

Project Assistant                                                    3/2021 – 8/2021

- Designed and created an app that provides children with knowledge about natural disasters as well as how to respond to them.
- Researched and synthesized knowledge content.
